Hello Nicholas,

How are you?

I would like to solve any doubts or change the app if is necessary; because I am not looking for profit just spreading knowledge.

In advance and just for your information; I tell you that the app is not the same and it is not a copy of the material of The Kabbalah Center; is a compilation of some specific web site; where I had requested permission to use they information published but I do no want to convince you in this point.

if the Center is affected in they rights; I would like to solve this issue as soon as possible; the Center can give the permission of the publication or tell me what I have to change so they do not feel or think that I have affecting they rights.

Best regards, Blessings and Light,

Luis Cabrera
